Request for Research Advisory Committee (RAC) Input**

In order to help us coordinate requests for RAC input on relevant issues, please complete the following form. This form will provide important information to the RAC members so that they can provide thoughtful input, either during the RAC meetings or via email. Once completed, the form will be quickly reviewed by the Research Subcommittee to determine whether it is appropriate to send on to the RAC.

Please limit the completed form to 1-2 pages. Email the completed form to Thu Quach, Ph.D. (thu.quach@cpic.org).
