

Will You Try These Ways to Protect Your Customers and Your Health?

GLOVES protect your skin from chemicals.

MASKS protect your lungs from acrylic and gel powder and nail filing dust.

Use **BOTTLES** that do not leak and keep bottles closed to protect your lungs from chemicals. Label all containers.

GLASSES protect your eyes from splashing chemicals and fingernail clippings.

FANS blow some of the chemical vapors out of the salon and away from your lungs.

CLOSED METAL CONTAINERS protect your lungs from evaporating chemicals.
